

About the college

Sree Buddha College of Engineering (SBCE), affiliated to University of Kerala, has been par excellence in technical education. The sermons of Lord Buddha gave us a lead to be the flowers of exaltation. The primary objective is to promote education and research in the field of technology and to replenish the skills that get lurked in the budding technocrats.

About the Department

The Department of Electronics and Communication Engineering (ECE) is one of the best departments of this college and offers M-Tech and B-Tech programs. The Department has highly qualified and well experienced faculty members. The Department is equipped with advanced instruments and equipments for teaching and research.

About the course

The course intended to give ample exposure for the faculty in RTOS concepts especially for those who are teaching RTOS for the seventh semester ECE of Kerala University

Course content

- **Real Time Operating system Concepts**
- **RTOS Applications**
- **Micro C/OS-II or VxWorks**
